1. The Chief of Station [ ] in dispatch dated 28 September 1955, listed below, forwarded subject Report of Survey with recommendation for approval. In accordance with Section 4b of [ ] a Board of Survey established by the [ ] considered this report and recommended approval.

2. At the meeting of the Headquarters Board of Survey held on 25 October 1955, the report was reviewed and the following action recommended:

00784 - Dispatch No. [ ]

25X1A6C

This case pertaining to 23 line items amounting to \$2,960.33 is a result of loss of property generated by the phasing out of the [ ]. It was indicated that the closing out was conducted too rapidly to permit the proper reconciliation of records and property was turned in at several places without proper documentation. The Board was convinced that very little, if any, of the property has been lost to the Government service. It was the majority recommendation of the Board to concur in the recommendation of the Field Board that the property covered by this Report of Survey be dropped from the records of the accountable officer and that no individual be held pecuniarily liable therefor.

25X1A6A

3. In accordance with Section 4d(2)(c) of Regulation [ ] the attached Report of Survey is forwarded to the Deputy Director (Support) through the Director of Logistics and it is the majority recommendation of the Board, as indicated by the signatures below, that the Report of Survey be approved.
